Scones, Jam and Cream at the Garden Party

The Marshs and Willinghams at the Petanque Evening

Annual Garden Party

The hot and dry weather of July 2006 had well and truly passed and it was with some misgivings that the BEBTA committee laid out the tables and chairs for the Annual Garden Party on 26th August at 38 Goddington Road home of Estelle and Arthur Huxley. However while it remained cloudy and threatening on occasions during the event the weather was almost perfect. Attendance was a little bit down on last year at 29, but this did not stop members enjoying the competition organised by Liz and Peter Yeeles, which was a cross between a treasure hunt, an anagram and an observational quiz. This was won by Treasure Paul. Afternoon tea followed with sandwiches, scones with Jam and cream, and delicious cake (scones and cakes courtesy of Estelle Huxley) washed down with the prerequisite tea. There were a large number of entries for the twinning photo competition and this years winner was Pearl Hill.

Petanque Evening

Nineteen members attended the Petanque Evening on 31st August organised with the help of Marlow Town Twinning Associations (MTTA) Petanque Club and held on their piste at the Kings Head, Little Marlow. The event had been arranged to ascertain how many BEBTA members would like to find out more about the game and if, following this, whether there was sufficient interest in forming a BEBTA Petanque Club.

Soon after arriving all the BEBTA members were split up into teams and were quickly playing with the help of an expert coach. A very enjoyable summer evening was spent playing and learning the game.

A survey of those that took part showed that, while everyone, without exception, enjoyed the evening, there was not sufficient support for a BEBTA club. Therefore it is proposed that (a) anyone that wants to play Petanque regularly should contact the MTTA Club and (b) next year 2 Petanque evenings are arranged, the second one being a match against the MTTA.
